

RegCentric voted "Best Regulatory Reporting Solution at the A-Team RegTech Insight Awards APAC 2024

March 2024

RegCentric is pleased to announce its prestigious win at the RegTech Insight Awards APAC 2024. The company has been recognized as the "Best Regulatory Reporting Solution" among a competitive field of industry leaders.

The RegTech Insight Awards, hosted annually by A-Team Group, celebrate providers of leading RegTech solutions, services, and consultancy across Asia-Pacific. RegCentric faced competition from direct competitors but emerged victorious, showcasing its commitment to excellence and creativity in addressing regulatory challenges.

"These awards celebrate providers of leading RegTech solutions, services, and consultancy across Asia-Pacific. The winners were selected by A-Team Group's RegTech Insight community and demonstrate exceptional creativity in building solutions that solve regulatory challenges. Our congratulations go to RegCentric for winning Best Regulatory Reporting Solution." Angela Wilbraham, CEO at A-Team Group, and host of the 2nd annual RegTech Insight Awards APAC 2024 commented

RegCentric winning solution, **Reg360**, stood out for its unparalleled design, implementation, and effectiveness in solving regulatory challenges. This recognition is a testament to the hard work and commitment of the entire RegCentric team, who tirelessly contributed to the success of Reg360.

"We are incredibly proud and humbled to receive the prestigious accolade of Best Regulatory Reporting Solution. This award is not just a trophy on our shelf; it is a significant validation of our commitment to drive innovation in regulatory reporting. Our strategy to design, build, implement, and bring to market a cloud-native solution that delivers on speed, data granularity, user experience, analytics and controls is bearing fruit. I am immensely excited to share this honor with our clients and prospects, and we're just getting started." said Thomas Verlaet, Founder & CEO.

The RegTech Insight Awards APAC 2024 highlight RegCentric's position as a leader in the regulatory technology space, demonstrating its ability to deliver innovative solutions that meet the evolving needs of the industry.
